I had the large lamb oggie was incredible, the lamb was delicious and gravy was top notch. the pastry was incredible. On top of this I had some incredible and reasonably priced coffee. The apple and cider sausage roll was to die for! To top it all off the selection of craft ales and sprits will make me come back again. Just wish I could order this on Uber eats when I get back to Manchester. [read more](#). The restaurant offers free WiFi for its customers. What [DadandCab](#) doesn't like about Bailey's:

We found the pasties from here a little disappointing. The filling was a bit sparse for the price and we found the pastry a bit thick and heavy. We did have them cold but even so, we would look elsewhere for lunch next time. [read more](#).
