On this webpage, you can find the **complete [menu](https://menuweb.menu) of Gnh** from Haringey. Currently, there are **25** courses and drinks up for grabs. At GNH Bar, the ambiance is inviting, featuring lovely decor and a vibrant atmosphere. While the menu offers diverse options, experiences vary greatly. Breakfast choices include an English breakfast and an £11 omelette, though some dishes missed the mark on flavor. Service can be inconsistent, with waits for drinks reported, and occasional lapses in cleanliness. Still, dishes like the pan-fried gnocchi and standard burgers have received praise for their quality. Overall, while some diners appreciated the friendly staff and reasonable prices, others found shortcomings in both food and service, making it a mixed experience worth considering.
