Haringey traditionally shines for example with Fish and Chips, mashed potatoes or **roast with Yorkshire Pudding** and for dessert a sweet Trifle. It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. If you want to have breakfast, a **versatile brunch** awaits you. Also, the drinks menu at this place is exceptional and offers a significant and comprehensive selection of both local and international beers, which are definitely worth a try.
