I and my partner have visited sunargow several times since I moved to the village last year, for both a takeaway and also to eat. we always get the best service; they are very friendly and will do everything to make their experience pleasant. The foods are delicious and they are more than happy to make every dish as they like it! we love it and look forward to many more paints! [read more](#). The place also offers the possibility to sit outside and be served in beautiful weather. What [User](#) doesn't like about Sunargow Tandoori:

I ordered a ripper. there were positive and negative. positive good size portion, beautiful meat beautiful thick sauces. negative did not do what it says on the dose, a thick hot sauce was thick, but not spicy or excessively warm. two very dirty meals! I wanted to talk to someone and say the next time. for us there will be no next time that feeling as if we had spent a lot on satisfying eating. [read more](#).
