2 adult and a teenager sharing a Saturday evening meal. our meal was hot, tasty and was of a larger portion size than expected. the price was slightly higher than our local tapas bar, but since the portions were larger, this was balanced. the aromas were abundant and the products were fresh and well presented, served in most cases

brewed. we tried about 8 different ears and all were excellent. all in all, worth a visit if they stay close. At Flamenco Tapas from [Buxton](#) it's possible to **savor delicious [vegetarian](#) dishes**, that were made without any animal meat or fish, There's something for every palate and it's impossible to go wrong with the bite-sized Tapas.

Of course, the right drink to accompany a meal is a must; for this purpose, this **gastropub** offers you a wide diversity of fine, regional alcoholic beverages like beer or wine, with their spicy savory sauces and spices, the Spanish menus are a favorite among the visitors.
