If you are asking here is a list based on our very short visit: 1) metal chairs are very cold when it's cold outside and you are saving on heating. May be add some insulation to them? I.e seat pads char cushions. 2) Train staff better. Young lady who was serving us didn't know how to split the bill or what drinks you actually had in the fridge. 3) Don't turn off all lighting in the toilets before clients have actuall...
