one of my favorite places around kew. a large selection of beer and a fantastic barkburger. the pulled pork is something to see at the first sight it is somehow decent to flow with all the juices. the brot is a little muddy. first bit: blown. first, the bark is much better seasoned than before and judging. it was medium, but still all the necessary liquids were there, and they mixed up with the pulled pork and the BB... [read more](#). The Botanist Kew Green from Richmond is respected for its *delicious burgers*, to which **appetizing fries, salads and other sides** are presented, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a diverse selection of beers from the region and the whole world. You can also look forward to fine vegetarian cuisine, Those who are passionate about the British cuisine will enjoy the large selection of traditional meals and indulge in the taste of England.
