If you're craving for some *tasty South American culinary arts*, this is the place to be: exquisite menus, cooked with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are in the menu, Here, the **barbecued food** is freshly **prepared** on an open flame. Most often, the burgers of this restaurant, which are among the highlights, are offered along with filling side dishes like french fries, leaf and cabbage salads or wedges, and you can indulge in fine American meals like Burger or Barbecue.
