eating was great, even the environment. the personal is very friendly and welcoming. the menu is a bit limited in the thing of the main dishes, but I think that is normal in this time of corona. the concentrated meals on the other side were great. the combination of fish with butterburn. who can really say no? [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about

Château Forêt:

the middleman gives nothing special. the name sounds good and they want to look a lot on their menu, but the location does not deliver what they can expect. in [Helsingborg](#) there are more better songs in this price class. [read more](#). Enjoy the savory menus and enjoy the spectacular view of the local landmarks at the restaurant, You can also look forward to the typical delicious **French cuisine**. It should not be forgotten that there is a extensive diversity of *coffee and tea specialties* in this locale, and you may look forward to the delicious classic [seafood](#) cuisine.
