I had the 7-course vegan tasting menu, the falafel, flat brot with 2 spreads, grilled oyster mushrooms (grown! , roasted cauliflower, grilled carrots, gurke (big aromen, but would have been better if it was aubergine or squash, and baklava eis (best ices I've ever had!) some dishes were like the flatbread and falafel, but the rest was delicious! read more. The diner and its premises are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. What User doesn't like about Sumac:
limited vegan options flower pot, flafel and a few pages. flatbread is not veganisable per menu. all the dishes were super salty. great disappointment with great reviews. read more. Typical European menus, that's what the Sumac from Reykjavik provides, You can take a break at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks. For those who are still undecided, the smell of fresh flatbread and the scrumptious, sticky delight of fresh baklava might be just the conviction they need - the Middle East is undeniably closer than one believes, and you can look forward to the fine traditional seafood cuisine.
