I had the Dalmatian pasticada here twice in 2019 and it was one of the best meals I ever had. The restaurant has excellent service and all those who work there are so professional and great. I enjoyed it so much I asked about the recipe on a whim, two years later. Filipa was so amazing and reacted not only to my email, but also chased the recipe for me. Can't recommend Tiffany Restaurant anymore! read more. What User doesn't like about Tiffany:
It was tasty enough, but we wished the portions were a bit more generous for the price they ask, the quality doesn't conform to the price, and we have been waiting really for long. There were also cats that walked under your feet while we were eating, not very hygienic. read more.
