Delicious meat! The prices are good. Also many gluten-free options, allergens are displayed on the menu. Would definitely eat again here: Update: Had Diner here again. Was absolutely great! This time we tried the hamburgers who could be prepared with gluten-free bread rolls! Meat was good again. Dessert was also delicious, had the cheese cake and the ice cream. Eat here while in Prague! Finally I decided to risk it last week and I have to say I was pleasantly surprised. The garlic bread and Nacho starter were very poor quality but the steak was really good. I will go back for sure but for a steak only. Nice beer and good service too [read more](#).
