Here you can find the menu of Lee Restoran in Tallinn. At the moment, there are 18 meals and drinks on the food list. You can inquire about seasonal or weekly deals via phone. What [User](#) likes about Lee Restoran: This place is a jewel. The hotel is located in an incredible courtyard, with trees and cosiness. Tables and chairs are perfect, with blankets to fight cold as night goes. The food is really good here. The appetizers are amazing, especially the three-layer cheesecake. Main dishes are rarely made with the hint of pink only perfect beef and liver properly. Atmosphere only loves appointments here. Romantic feeling is eas... [read more](#). As a customer, you can use the WLAN of the establishment at no extra cost, Depending on the weather conditions, you can also sit outside and be served. Lee Restoran The **groundbreaking Asian fusion cuisine** will thrill you, the exquisite mix of traditional dishes and exciting new creations will amaze!, the restaurant serves also **menus from the European environment**. Of course, the most diverse ingredients are also used in the most unprecedented combinations and variations - according to the motto of the *Fusion Cuisine* within the offers, The light and healthy meals in the list of specialties are also among the favorites of the guests.
