A **comprehensive menu** of Zaika from Kensington and Chelsea covering all **27** meals and drinks can be found here on the food list. Zaika offers a blend of elegant decor and commendable service, set within a stunning former bank building. While some diners noted a lack of authenticity in flavors and spice levels, many praised the creamy paneer and well-crafted butter chicken. The restaurant's unique ambiance and personable waitstaff contribute to a delightful dining experience, especially for special occasions. Though a few felt the food lacked the intensity expected from Indian cuisine, others relished their meals, calling it the best Indian fare in London.
