we were here with my man. we got married, and the next night was nice. so a relaxed and quiet place, as we flew out early in the morning for our slumber weeks, our beautiful host chris and gavin left us a bag with breakfast snacks for our trip to the airport, which was a beautiful note. a beautiful place with beautiful hosts [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather, and there is free WLAN. What [Haidar Sultan](#) doesn't like about Manorhaus:

STAY CLEAR! RIP OFF! Dirty, old and where is the boutique?! Customer service non existent! The Oreil room was so dirty, dusty, bathroom mouldy, random stains that look bloody, the bed was so old and uncomfortable and lumpy, you could feel the springs, do they never get replaced?! So called management don't want to do anything about genuine complaints from paying customers, vile behaviour. Rooms: 1 Service: 1 [read more](#). The restaurant spoils you with a bit of this and a bit of that with their appreciated **Tapas**, You can take a **break** at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks. Furthermore, there are several typically British dishes on the menu that give every Englishman abroad the feeling of being at home, In the morning they serve a *varied breakfast* here.
