What [User](#) likes about Klub Makrovega:

they get everything warmed, tastes much better. the barley salad/mash is delicious, also the roasted pumpkin/eggplantate. the whole place looks very little budget/diy-ish, but for me, this is also part of the profession. portion size was solid, mix and matching possible and the prices were good. owner was really friendly. if it ever gets rid of the plastic bowls, it is a 5th updated by the previous review on 2021-09-... [read more](#). It's certainly always an event to be in a [typical saloon](#) and to consume; to feel like a cowboy for once with a chilled drink and also the finger food like [crispy fries](#), onion rings or a hearty burger, You shouldn't miss the opportunity to try the delicate [pizza](#), baked fresh in an traditional manner. The restaurant provides a large selection of fresh and scrumptious juices.
