What [User](#) likes about Dock House: Beautiful steak house, of course many steaks, really good burgers (the meat was really tender, properly cooked), crispy pommies (as they should be). The restaurant was pretty crowded during lunchtime, but we could find a table. Food is served relatively quickly for the amount of customers they have. Beautiful furnishings and atmosphere. Must definitely go back to try one of the steaks. [read more](#). For those who want to have a drink after work and sit with friends or alone, Dock House from Prague is a good bar, Furthermore, the delicious treats of this local sparkle not only on children's plates and in children's eyes.
