1) pre cooked burger from warmer served 2) they don't serve coke or Diet Coke can as they boycott the brand but they sell big bottles. Whole idea was give cheap drink with £9.50 burger meal. They need to realise they are costlier than big burger chains. 3) renovation going on site so all dust in air falls into your food. 4) chips were there before my order was preparing so I would say 15-20 min old chips. Didn't wanted to argue on anything so left without drink which was suppose to be part of the meal. But they do t have any ethics to offer customer refund/replacement. During meals, a refreshing drink is essential. In this gastropub, you will find not only flavorful menus, but also a large and comprehensive assortment of good beers and other alcoholic drinks that compliment the food, The **light and healthy meals** in the list of specialties are also among the favorites of the visitors. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink.
