Lovely, quite place. The staff is friendly and the service is super quick. We ordered beer along with peanut masala and tandoori poppadom , served with mango chutney. Both the items were super duper spicy. I just loved it They do Indian food like dal tarka , chicken curry etc , which is next on my list. I would highly recommend this place. read more. What 1Clara W (1 2 years ago on Google doesn't like about Salt Bar Restaurant:

A very uncomfortable experience. Myself and my brother in law were singled out and asked to leave the outdoor area as it was for shisha. I am a reasonable man and understand if you need the tables for it, however only 3 other tables were occupied... seems strange to me. I would have bought my family for food as we are basically next door but I doubt a family like mine would be welcomed here....im shocked and appaled. read more.
