The Card of Greenwood from London includes about **16** different dishes and drinks. On average, you pay for a dish / drink about £10. Greenwood is open all day, seven days a week, offering breakfast, lunch, dinner, pre/post-theatre dining, and weekend brunches. The large island bar is dominated by four overhanging copper beer tanks, serving Long Arm Brewing Co. craft beers, rotating guest ales, classic cocktails, and a carefully curated selection of wines. Upstairs, sports fans will find a dreamy sports lounge with five screens (including two mega screens), showing competitive domestic and international sports all day and night. Additionally, there is an American 8-Ball pool table and two Shuffleboard tables.
