What [Alfie Reid](#) likes about Aksular:

Another fantastic Aksular restaurant. This is the fourth one of their establishments I've dined at with my girlfriend, and I must say this one's as great as the other three. The decor is first rate, aesthetically eye catching, warm to the senses, and implores one to feel comfortable and relaxed when enjoying their exquisite variety of food. A1! We really loved it here. Thank you Aksular. [read more](#). When the weather conditions is nice you can also eat and drink outside, And into the accessible rooms also come guests with wheelchairs or physiological disabilities.

What [Quentin Simpson](#) doesn't like about Aksular:

Fancied an Iskender and thought I would get a decent one here! Food was just okay! Not awesome or tasty! Service is already included and for two iskender and one coke isn't really cheap! Would I come back.... Nah! [read more](#). Aksular from Enfield serves **delectable, good digestible Mediterranean cuisine** with its typical courses, there are also *delectable* [vegetarian menus](#) on the menu. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink, The visitors also rave about the tasty, airy flatbread that can be dipped into the homemade hummus or a yoghurt dip; the unusual combination of figs with goat cheese is also one of the delights from the diverse cuisine of the Middle East.
