Popped in for some chips at lunch time, really fresh and tasty and lots of them. The person who served me was very pleasant and even explained when I asked what else they had to offer, it all looks very tasty. The premises has been completely renovated since last time I was here and looks really nice with a large comfy great sit-in area for everyone. [read more](#). What [Diane McKenzie](#) doesn't like about Castlegate Fish Takeaway:

Restaurant is nothing like in most of pictures!! Tried ordering off of menu but staff said wasn't on their till system?! Doner kebab with pitta bread was literally plate of doner and uncut pitta bread. No sauce, no salad nothing. However fish platter was nice but again after asking what it consisted off only got 4 of the items. No crab no squid. Would not go back sorry. [read more](#).
