What [User](#) likes about Durga: with a fully [vegetarian](#) menu full of authentic Punjabi classic, this restaurant is a must. but while you can invite and have a nice lunch, this restaurant really shines as a gift; offers the best hearty snacks in the Indian cuisine.

without this pakoras a walk after ilford lane would not be finished! [read more](#). What [User](#) doesn't like about Durga:

Stale sweets !! Shame that it was sold to customers like me. I would avoid visiting this place. Avoid !!!! I could sense that that place was dirty and people serving were not hygienic- at one point cleaning with wipes and next second using the same hand to put the samosas in the paper bags !! [read more](#). In the morning, you can enjoy a [appetizing brunch](#) at Durga, as much as you want, there are also **delectable [vegetarian recipes](#)** on the menu.

Not to be left out is the extensive selection of coffee and tea specialties in this restaurant.
