kebabish is the best place where I would say where you generally get good food. .. known for their kebabs in the city less known to publish about their [vegetarian](#) dishes. easy to house. I like it better than what's done at home. aloo palak with ingwer dressing up is fantastic. . good personal. fast service also. kebabish kebab se ishq. ... [read more](#). When the weather conditions is nice you can also be served outside. What [User](#) doesn't like about

Kebabish Original:

the food is great! However the service of a certain waiter being rude and confrontational stops me from entering it ever again! Atmosphere itself is not child friendly with music videos being played on a large screen. Do not recommend [read more](#). The visitors love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Kebabish Original from Kirklees, with its unconventional Asian fusion cuisine - the right mix of traditional meets the adventurous world of fusion cuisine, Meals are also prepared here, tastily and freshly with traditional Indian spices. The **burgers of this establishment** are among the highlights and are usually served with filling sides such as French fries, leaf and cabbage salads or wedges, Besides, the *light and healthy menus* in the specialty list are among the favorite dishes of the visitors.
