A **comprehensive menu** of Cafe Toulouse from Barnet covering all **40** meals and drinks can be found here on the food list. Located in Hampstead Garden Suburb, nestled in a former public toilet, Toulouse offers a charming French bistro experience. The almond croissants and pain au raisin are a must-try. While the breakfast pastries were delicious, lunch left much to be desired with poorly executed dishes. The cafe has become a local favorite with reasonable prices and friendly staff. The outdoor seating is perfect for people-watching while enjoying a coffee. Be sure to make a reservation to secure an outdoor spot. Overall, Toulouse offers a mixed dining experience, but the cozy ambiance and tasty pastries make it worth a visit.
