A **comprehensive [menu](#) of The Malvern** from Malvern Hills covering all **16** menus and drinks can be found here on the menu. Nestled within a hotel and spa, The Groveswood Restaurant serves up a culinary experience that varies from exquisite to average. While the atmosphere is generally inviting and service attentive—highlighted by friendly staff members like Ollie—the food occasionally misses the mark. Diners rave about the delightful dishes prepared by Chef Chris, particularly the ribeye steak and standout desserts. However, some find the menu limited and certain items, like the Cajun chicken burger, lacking in flavor. Overall, The Groveswood is worth a visit for special occasions, especially for those indulging in the spa.
