What [Aki Martiskainen](#) likes about Umeshu:

2nd week at 20:00. Delicious su. from high quality raw materials. On the night before sleep, the atmosphere was quiet and there was plenty of room in a small restaurant. He was very ., but only spoke English. However, it was not a problem for us and it was easy to order. We were hungry and tried different. on the menu. In addition, the waiter recommended a food that wasn't on the list, it's worth taking a stick. We went full and priced a meal with one beer, \$90. You can also order food. What [Minh Long](#) doesn't like about Umeshu:

Our maki were not rolled tightly enough, they broke down into pieces as soon as we picked them up. The ratio between rice and protein was not well balanced. Indoor area could have better air conditioning. [read more](#).
