On this website, you can find the **complete menu** of Mak Grillz from Waltham Forest. Currently, there are **17** courses and drinks up for grabs. Makgrillz has garnered a variety of opinions, ranging from delightful to disappointing. While some patrons have praised the juicy burgers and flavorful chicken wings, others found their meals tasteless and dry. Customer service has also seen mixed reviews; while some experienced warm hospitality, others encountered rudeness. Despite the charming decor and reasonably priced mocktails, several diners were deterred by the establishment's cash-only policy and limited menu options. Though some suspected overly positive online reviews were incentivized, many still regard Makgrillz as a standout for a casual American dining experience with room for improvement.
