a hidden gem in kensington! the interior has a parisian coffee atmosphere and decor and is ideal for breakfast/buff or coffee and dessert after shopping. the coffee is well served in charming rustic tassen and eating is top notch. we have tried most menus so far and the top 3 are the eier benedikt, the croque-Matta and of course the croissants. large selection of freshly baked baked pastries. the personal is fantasti... [read more](#). The restaurant also offers the possibility to sit outside and have something in beautiful weather. What [Cynthia C](#) doesn't like about Montparnasse Cafe:

The lady boss is indeed brusque and the staff are slow, but I suppose this is part of the whole experience of this place. The ambience is charming. The mushroom croissant was nice, the cafe latte could be better. [read more](#).

At Montparnasse Cafe from Kensington and Chelsea you can *try delicious [vegetarian](#) courses*, in which no animal meat or fish was used, look forward to the typical tasty French cuisine.
