First time I've used this place. Had a takeaway red curry which was excellent. Service on the phone and in person was great and food was ready and waiting for me on time! Will definitely be going here regularly! [read more](#). The place also offers the possibility to sit outside and eat in nice weather. What [User](#) doesn't like about

Street Box:

the appetizers were okay. taste was good. but what I hate most is to be deceived by false ad menu. jungle curry with Thai aubergine are made, and they are in them normal, who ruin for me the court and my burning experience when they think well, that is just aubergine .. I will tell them that they don't know Thai cuisine dinner for me more than expected! [read more](#). The Street Box in Edinburgh, City of offers various **flavorful seafood meals**, Here, Thai meals are prepared with the famous spices and (fish-) sauces. In this restaurant there is also an large selection of coffee and tea specialties not to forget, The dishes are usually prepared fast and fresh for you.
