Here you can find the [menu](#) of **The Village Cafe** in Rother. At the moment, there are **21** dishes and drinks on the menu. The Fishermen has gained a varied reception from patrons. While some enjoyment has been found in the freshness and quality of their dishes, particularly the delicious fish and chips, inconsistencies in service have dampened the experience. Issues such as late deliveries, lukewarm meals, and lack of flexibility in menu options mar the overall satisfaction. Though a few diners appreciate the generous portions and commitment to local ingredients, many express disappointment in the management of orders and customer service. As it stands, reputation hinges on a balance between quality food and efficient service delivery.
