What [User](#) likes about Toff's:

toffs is far from my favorite fish and chip restaurant in london. it will certainly deliver when they sit and eat in the opposite to one go out. the fish is as fresh, it is like no other. so succulent. soo delicious! I even dream of how divine the fish is. this is also for the person who prepares it(then). her own winery sauce is also the best. how to get it right. good work! the personal is always attentive and poli... [read more](#). What [User](#) doesn't like about Toff's: Disappointed. I must have got a bad day for the staff, for they were appalling. I was convinced to go for the main meal offer rather than starter and chips which I originally asked for and was deliberately misled that this would be cheaper. Lo and behold the bill was more that's one thing, but the manager made no effort to diffuse the situation, and I found him aggressive. Funny the difference was only a pound, so th... [read more](#). At Toff's from Haringey you can try delicious [vegetarian](#) courses, in which no animal meat or fish was used, and you can look forward to the tasty typical [seafood](#) cuisine. Also, there are many timeless [British](#) menus in the card that will satisfy any lover of British cuisine.
