[Hilary1991](#) likes about Y Review:

We ate here before seeing James Martin. The food was really delicious and very reasonably priced. The service was very efficient and friendly and we ate our meal in plenty of time before the show. If you're attending a show at the theatre this is a good option to eat beforehand [read more](#). When the weather conditions are good you can also eat outside, and there is complimentary WLAN. The premises on site are accessible, and therefore no problem for visitors with wheelchairs or physical limitations. A roundtrip through Great Britain without getting on a plane is easily possible when it comes to culinary delights: Y Review in Conwy traditionally shines for example with Fish and Chips, mashed potatoes or **roast with Yorkshire Pudding** and for dessert a fine Trifle.
