A complete [menu](#) of Dick Barton's Chipshop from Swansea covering all 17 meals and drinks can be found here on the card. Nestled in Mumbles, this traditional chip shop has garnered mixed reviews from locals and visitors alike. While some praise the generous portion sizes and deliciously cooked cod bites, others find the food quality inconsistent and occasionally overcooked. The vintage ambiance, with limited indoor seating, encourages takeaway, though some lament the slower service compared to more modern establishments. Despite a steady queue, many recommend venturing to the nearby Bay Chippy for a more consistently satisfying experience. Overall, this eatery holds nostalgic charm, but patrons are advised to temper their expectations for a reliable fish and chip feast.
