I don't know why it's [vegetarian](#) because chaika was always 100% vegan and is. they make delicious cupcakes and cakes. latte is also great. they can choose their milk (all plants based) and they have recently also gone soy-free. that's great for me with soy allergy! It's definitely always an experience to be in a [typical saloon](#) and to consume; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a delicious burger, Furthermore, the **magical treats** of this establishment sparkle not only on children's plates and in children's eyes. Not to be left out is the extensive selection of **coffee and tea specialties** in this locale, Besides the delicious sandwiches, small salads and other snacks also make a good snack.
