On this homepage, you will find the **complete menu** of **Two Many Cooks** from [Mole Valley](#). Currently, there are **43** menus and drinks available. Two Many Cooks, a quaint café in Dorking, offers a mix of culinary delights amidst a cozy yet cramped atmosphere. While patrons rave about the friendly service and fresh food options, the café struggles with space, often leading to a bustling environment that's not always comfortable. Some customers have noted the added charge for soya milk and a desire for gluten-free bread, along with calls for more diverse menu options. Overall, this independent gem remains a local favorite, but to stay competitive, it may need to enhance both its menu variety and seating capacity.
