A **comprehensive menu** of New Taj Mahal from City of London, Westminster covering all **26** dishes and drinks can be found here on the card. Nestled in Shepherd Market, this compact Indian restaurant offers an intriguing dining experience characterized by its cozy atmosphere and vintage decor. While some visitors praised the flavorful dishes, such as chicken tikka and chicken karai, others were disappointed by the inadequate spicing and oiliness of certain curries. Service reviews vary, with some noting efficiency but a lack of warmth from the staff. The unassuming space can feel cramped, but it provides a quirky charm. With reasonable prices for the Mayfair area, the restaurant presents a mixed bag, appealing to those seeking casual Indian fare but perhaps not for leisurely dining.
