Here you can find the [menu](#) of **Marks Spencer** in Harrogate. At the moment, there are **17** meals and drinks on the food list. The café in Harrogate offers a mixed dining experience, with some patrons praising the friendly staff and well-prepared dishes, such as delicious tomato and basil soup and satisfying jacket potatoes. However, others lamented the disappointing food quality, with items served lukewarm or burnt, along with long wait times and insufficient staff during busy hours. Concerns were also raised about the move to single-use items, detracting from the café's environmental responsibility. Despite the issues, some visitors found the ambiance relaxing and appreciated the helpfulness of certain staff members, indicating that improvements could elevate the café's overall appeal.
