I including my friends had lamm sajji ordered and it was really nice with great service especially from the guy named owais. I would definitely recommend this place to those who were not here. [read more](#). What [Waheed R](#) doesn't like about Lal Qeela:

I dont know if it was because they had a party of about 70 people ... but the food was substandard. I would definitely not be going again and would be recommending people against it. When we sat down, they gave six drinking glasses stacked. The glasses had some water in them and were not clean. The plates they gave were also not clean and had wet finger marks on them. I ordered chicken burger for my three year old. I... [read more](#).
