2nd visit 2021-05-04 Unstable performance, salad were still good, but the falafel and lasagna this time were both too salty. Disappointed. 1st visit 2021-01-18 Amazing [vegetarian](#) buffet for just 99kr (Student Price). The falafel was the best I have eaten so far! Fast refill, fresh salad, lasagna was also very nice. I feel quite sad that there were not so many people even during peak lunch hours. Given this high-quality lunch buffet, definitely worth more support during the pandemic! The only downside was the mushroom soup, a bit too salty. Most Swedish people love salty food, so this might be just within their standard?.
