As a customer, you can use the WLAN of the establishment free of charge, Depending on the weather, you can also sit outside and have something. What [esm49](#) doesn't like about Bullen: Warm, Hygge, Harry Potter vibes. The servers ignored us the whole time. Cold, average, and expensive food. There was a fly in my water. I got the Swedish meatballs which they are known for. I have had better elsewhere. [read more](#). If you're in a rush, you can get tasty Fast-Food dishes just the way you like it from Bullen in Malmo, freshly prepared for you in few minutes, You will not only have an attractive view of the deliciously arranged dishes, but you will also be offered a beautiful view of some of the local *highlights*.
