2nd time was disappointing, had to wait a long time, even though it wasn't busy... too bad! Recommended! Really worth the detour! Here you get value for your money. Really delicious fresh fries, good mayo, and a more than friendly owner. We had a nice chat with him after we really enjoyed the food. And promised to leave a good review... People, just do it, it's really worth it!. In beautiful weather you can even have something in the outdoor area. The large range of coffee and tea specialties greatly enhances the value of a visit to Frituur De Snack, Naturally, you should also taste the *scrumptious burgers*, accompanied by sides like fries, salads, or wedges provided. It goes without saying that a suitable drink completes a meal; therefore this gastropub offers a diverse variety of delicious and regional alcoholic options, be it beer or wine, At the bar, you can relax with a [cool beer](#) or other alcoholic and non-alcoholic drinks.
