If the weather conditions are right, you can also be served outside. What [Raul Feliciano](#) doesn't like about Jufu Asian Senglea: We arrived last night to eat. The atmosphere began with a lack of light all over the restaurant. When we started the [sushi](#) the fish was warm to see warm (please also taste in rice) Conclusion: a horrible night with probably a start of food poisoning. Wouldn't the restaurant have to remove the salmon from the map rather than serve it (assuming the fridges were not to be functional and not respecting the cold chain)?? [read more](#).
