Was not expecting much when I stumbled across this place early in the morning but the cheeseburger was actually incredible. Really tasty relish and loved the lettuce red onion combi. Chips were good too. [read more.](#)

What [User](#) doesn't like about Mr D's:

Made an order for just under £40. 2 burgers, spring rolls and 2x chips (one of which with cheese) no chips with cheese. Just 2 normal chips. Just finished eating our food and not satisfied at all. Really poor quality, meal was worth £20 at best. I've had better McDonalds. Will not order again and do not recommend at all. If you want nice food then don't even bother. Terrible.
