What [User](#) likes about China: very traditional Cantonese roasted duck, roasted pork and roasted pork bell! top in hotsinki! highly recommended. very nice family business. the chef loves cooking, much time and effort to improve, with many iterations. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations, and there is complimentary WiFi. If the weather are right, you can also eat outside. What [User](#) doesn't like about China:

There's always a risk when you change a working concept. They used to have a versatile and very delicious lunch buffet, and the place was quite often full of Chinese tourists. After a bit longer while, I went there again in lunch time, and the place was plain empty! Soup, salad and spring rolls were still there in the buffet, and then you could order from three alternatives at the counter. I had chicken in lemon sauc... [read more](#). Traditional courses are prepared in the kitchen of China in Helsinki with original [Asian spices scrumptious](#), The successful fusion of different meals with fresh and occasionally daring products is highly valued by the visitors - a good example of Asian Fusion. Many customers also especially enjoy the *versatile, tasty Chinese cuisine*.
