Hier vind je [het menu](#) van **Kempens Kiekenkot** in Zandhoven. Op dit moment zijn er **16** gerechten en drankjes op de lijst. The restaurant has received mixed reviews, with some highlighting the fresh and delicious chicken dishes and friendly service. Others have criticized the lack of attention from servers and the quality of certain menu items. Overall, the consensus seems to be that the restaurant offers good food at reasonable prices, but there are areas where improvements could be made. Despite some shortcomings, the positive aspects like fresh ingredients and welcoming atmosphere keep customers coming back. Whether for a date night or a casual meal, this restaurant seems to have something for everyone. A diverse menu and attentive staff make it a solid choice for a dining experience.
