During meals, a refreshing drink is essential. In this *gastropub*, you will find not only tasty meals, but also a large and comprehensive assortment of good beers and other alcoholic drinks that compliment the food, The creative fusion of different dishes with fresh and partially daring ingredients is highly valued by the customers - a good example of Asian Fusion. **The meals are prepared according to typical Asian style**, At the bar, you can unwind with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
