A **comprehensive menu** of Kiku from London covering all **18** dishes and drinks can be found here on the menu.

Kiku is a Japanese restaurant in London that has received mixed reviews. While some diners have been disappointed by the lack of variety in the menu and the price of the dishes, others have raved about the authenticity of the food, with one reviewer even comparing it to dining in Japan. The quality of the fish used in the dishes has received praise, and the restaurant has been recommended by some diners for its traditional vibe and delicious sushi. Overall, the reviews indicate that while Kiku may not be the best Japanese restaurant in London, it is a hidden gem worth trying for those looking for an authentic dining experience.
