What [David Rogers](#) likes about Damn Fine Cafe:

nice little cafe. the staff was very friendly, friendly and the service was very fast and always with a smile. eating was fresh and tasteful (the full English in a Yorkshire doll was a surprise search). What [Tara Allen](#) doesn't like about Damn Fine Cafe:

there is a vegan sandwich filling choice on the menu, but they don't have to have any butter, no cheese and no koleslaw. lady who took my order has not understood and thought I didn't want an salate. three times after the koleslawin asked and the food is still there. eating was nice enough when it was right, but I won't return.
