What [User](#) likes about Picando:

We love this restaurant for really delicious and best [pizza](#) in all of Tromsø. Prices are also reasonable. Especially yakuza with artichoke and generous amount of yarns is our favorite. This is the best Tromsø's [pizza](#) to taste in the seafood collection. Godfather and Mamma Mia are also included in the beef collection. Very polite, responsible and nice owner with always smiling face. Very fast and best service ever. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Picando:

Bit hard to find as was tucked back from service road and couldn't see it clearly from main road. Once we sat down, the waiter seemed a little annoyed that we only wanted water. Pizza came a while later and seemed a bit of a wait for saying we were only people in there. [Pizza](#) was a little overdone for my liking, but either way was good. Cosy atmosphere and chilled. Had to go up to the counter to pay when finished. [read more](#). The Picando originating from [Tromsø](#) dishes out various [flavorful seafood meals](#), Don't miss the chance to enjoy the delicious [pizza](#), prepared straight out from the oven in an traditional way. **Menus are usually prepared quickly for you** and brought to the table, and you can expect original *Italian cuisine* with classics like [pizza](#) and pasta.
